## Class Description

Class Name	PreDrama	Star Academy	Magic & Card Tricks	Set the Stage!	News at 5 at 4	Skit Factory
<b>Description</b>	Want to be a Star? Sing, dance, show off, and discover hidden talents in this fun class that peeks into the world of the theater. Your child will feel like a star and gain poise and self-confidence as they explore the stage and all that goes with it.	Bring on the Paparazzi This class looks at the theatrical experience, focusing on reading scripts, memorizing lines, understanding character development, stage movement and even exploring musical theater, song and dance.	Abacadabra, Allakazaaaam, Bippety Boppity Boo...this class is for YOU! Kids will delight and amaze their friends with the magical tricks and illusions that they learn in this class. They will learn how to dress, speak and act like a magician as well as make things disappear!	Using new materials and techniques of production, including special effects, lighting and sound, kids will learn how to dress a stage, create a performance space and transition between scenes.	Lights, Camera, Action! Kids will explore the ins and outs of writing, creating, producing and directing a news show each week. The class begins at 4PM and the final product will be played for the building at 5PM.	Improv, comedy, skits and more! This performance based class explores acting techniques and the creative process by using non-scripted games and improvisation. Plan on being on the STAGE!!!
